ELKS HOLD FORTH WITH A SPLENDID NIGHT OF SPORT

Team No. 2 Wins Bowling Match from Team No. 1 In Close Score

BANQUET TONIGHT AT 9 O'CLOCK

The "Night of Sports," celebrated at the Elks' Club Monday night furnished a great deal of entertainment for the members who attended.

First on the program was the bowling match composed of teams selected from the fifteen high average men who finished the first half of the league season. B. P. O. E team No. 1 was in charge of Joseph Irose, while the second team was in charge of the grand old bowler of the Elks Club, John Monier, who finished the season with an average of 114.

The first game was won by the Irose team by 7 pins, but the second went to Captain Monier's team by 34 pins. The last game was won by Capt. Monier and his bowlers by a margin of 43 pins, which gave them the championship. The best bowling of the winners was done by Billy Kuhn, with a total of 401, with Capt. Monier and Williamson making good showings. For Irose's team "Tink" Piersol led in scores, with Capt. Irose and Carson following. Jordan had high score for Capt. Irose's team with 165, while Guy Woodward held similar honors for Capt. Monier's team with 159.

The billard match was won by "Vic" Rehula, who took Arrigo's place, and who was given a handicap. Urben, his opponent, was to make 200 while Rehula scored 150. The final score was Rehula, 150, Urben 187.

The call pool match was won by Dave Dixon, the score being Dixon 100, Mike Rosenbloom 40.

Tonight the banquet takes place for all brothers who took part in the sports. The hour for the banquet has been fixed for 9:00 o'clock, and all those who are to attend are asked to be prompt.

NAZIMOVA IN FILM AT COYLE THEATRE

Naximova will appear in Charleroi at the Coyle theatre Thursday and Friday, December 16 and 17, in two characters, each resembling in some measure the great Russian star's own career. The picture is "Madame Peacock," from astory by Rita Weiman, and brings Nazimova to the screen first as Jane Goring, a resplendent stage star, and then as Gloria Cromwell, a young girl as naive and charming as Jane is brilliant. In her latest picture Nazimova has chosen George Robert for her leading man. The star herself adapted the picture for direction by Ray C. Smallwood.

FRIDAY "DONATION DAY" FOR HOSPITAL

The Ladies Auxiliary of the Charleroi-Monessen haospital will hold a "Donation Day" next Friday, December 17. The Auxiliary desires as generous a contribution of canned goods as possible. Pupils are also asked to take donations to the various schools, where they will be collected. All other donations are to be left at the borough building. A generous response to this appeal will be greatly appreciated by the Auxiliary and by the hospital authorities.

HEAVY DAMAGES FOR MALPRACTICE

A sealed verdict in favor of the plaintiff for $2,275 was brought in Saturday morning last in the county courts, in the case of Mary Urwin and John Urwin her husband, against Dr. Robert W. Smith of California. This case was a suit to recover for alleged malpractice and had attracted considerable attention. The plaintiffs charged, that on account of improper treatment for rheumatism, Mrs. Urwin was left with an enlarged joint which caused one of her arms to be stiff. A large number of physicians were called for the defense, all of whom testified that Dr. Smith had given the proper treatment for the case as it was diagnosed.

U. S. STEEL HAS BIG COAL HOLDINGS IN GREENE COUNTY

Estimated That It Owns 48,000 Acres of Coal in That Section

WILL LAST FOR A CENTURY

Subsidiary coal companies of the United States Steel Corporation have now obtained 48,000 acres of Greene county coal, it is estimated. They have secured the heart of the virgin bed lying on the left bank of the Monongahela river in and above Waynesburg and are preparing far ahead of the time when it will come into use for its development.

How many years will elapse before this development will come depends entirely upon the condition of the financial, business and labor market. Improvements will be carried out when labor is obtainable at a reasonable figure and when the cost of building materials has moderated considerably.

Already the traffic on the Monongahela is so heavy that the decreasing volume of water is becoming a serious question. In order to produce water for all seasons storage systems are being planned for feeders. In this task it is likely that government engineers will co-operate.

An underground system of electric haulage will be developed. Far underground coal will be hauled, it is estimated, from twelve to fifteen miles to the river tipples. Mining engineers prophesy that the greater part of the Greene county coal, consisting probably of more than 350,000 acres, will be removed underground to the river and from there transported to industries.

The Steel Corporation, it is believed, has acquired practically all of the coal it needs in Greene county for the next 100 years. Its coal holdings in Fayette county alone, engineers compute, will hold good for the next 25 years. In Washington county the Corporation also holds large tracts of coal, which it is believed will be developed within the next few years.

Some predictions are now b made that Greene county will out Fayette, Westmoreland or Washington counties in point of popuiatic...

HELD IN JAIL FOR PAY CHECK THEFT

Herbert Dietz, who was brought back from the Cambria county jail at Ebensburg one day last week by Sergeant Frank Jones, of the Pennsylvania Railroad company police force, was placed in the Washington county jail on Saturday on a charge of forgery and embezzlement, to be held in $2,000 bail for the February term of court. He signed a confession it is said, in the office of Justice of the Peace Paul Nutt, stating that he took three pay checks with a value of $277 last June while in the employ of the Pennsylvania railroad company at West Brownsville Junction.

LIQUOR SELLER IS SENTENCED TO JAIL

Ella Corey, colored, charged with conducting a disorderly house at Allenport, and also with selling liquor without license, was on Monday, on a plea of guilty, sentenced to six months in the county jail. She was fined $500 and costs in the liquor case and $1 and costs in the other case. The arrest of the Corey woman followed a shooting scrape at her home at Clipper landing, in which Jacek Dennis, acolored man, was shot by a woman inmate of the home. Dennis remains in a critical condition at the Memorial hospital in Monongahela.

PERMIT GRANTED FOR A NEW COAL TIPPLE

A permit was granted on Monday by the Federal authorities to the Houston Coal company of Mt. Sterling to construct a coal tipple on the left bank of the Monongahela river, one-fourth of a mile above the Masontown ferry.

A SANE PRONOUNCEMENT.

Worthy of general attention, and especially of persons agitating for rigid Sunday observance laws, is the report of the committee on civic righteousness submited to the Baptist ministers' conference in Philadelphia December 6—which in part reads: "With the religious aspects of the Lord's day lawmakers and executives have nothing whatsoever to do, except to see that citizens are undisturbed in the free exercise of their lawful right to worship God according to their consciences. The church is interested in the passage and execution of humane and righteous laws on this and all other fit subjects for legislation, but can never properly invoe the law to enforce areligious obligation, such efforts being wrong in principle and in practice futile."

This is one of the sanest pronouncements yet made in connection with the "blue Sunday" proposition. It states the true principle which should govern in this matter, and is all the more admirable as coming from an ecclesiastical body unquestionably in favor of Sunday observance. The fathers of the American republic completed the freedom they created when they provided for religious liberty, but the very spirit of their great enactment would be repudiated if we should not take away the freedom of the general public by enforcing even a proper rule of the churches. As the above report so pointedly says, to "invoke the law to enforce a religious obligation" is "wrong in principle" and certain to be "futile" in practice.

HOLDING SUSPECTS IN FAYETTE COUNTY JAIL

Officials of Fayette county stated Monday night that the two men arrested on Sunday at Marianna were still being detained in the jail at Uniontown as suspicious radicals. While there is no proof they are connected with the fire plots in Washington, Fayette and Westmoreland counties, the officials feel that their records should be thoroughly investigated. They gave their names as Zresko Dnatzk and Frank Senenuk.

TEMPLE MENTIONED FOR GOVERNORSHIP

The Washington correspondent of the Pittsburg Post, in a review of Pennsylvania politics, mentions Hon. Henry W. Temple, Representative in Congress from the Twenty-fourth District, as a possible Republican candidate for Governor in 1922. Dr. Temple was re-elected to Congress in November by a largely increased majority, and on the 4th of next March will begin his fifth term in the House.

ATTENDING TO CHICKENS AND GARDEN

"My neighbors are surprised to see me looking so well, for they thought I would not live to see summer. I had such pain around my heart as to cause me to faint. I knew it came from bloating and pressure of gas in my stomach. A friend in St. Louis told me to use Mayr's Wonderful Remedy and I now feel better than in all my life. I am doing my own work, attending to my chickens and my garden and have cleaned house." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. All druggists.

DOG TAX WILL BE HIGHER THIS YEAR

The commissioners of Washington county on Monday fixed the tax for dogs for the coming year at $2 for male dogs and $4 for female dogs. The past year it was $1.75 for male dogs and $3.50 for female dogs. It is believed that the increase in taxes will result in the killing of many worthless curs. It was the opinion of the commissioners that a man who has a good dog will be willing to pay the increased tax.

HENRY B. WALTHALL

AND BRILLIANT PICKED CAST IN THE GREATEST EMOTIONAL DRAMA IN YEARS

"The CONFESSION"

Presented by George H. Davis

You will see the great Walthall, brilliant Star of "The Birth Of A Nation" in an enthralling dramatic masterpiece which will remain in your memory for years. To attempt to tell you even a part of the story here would be useless. It is too big—too overpowering—too huge to be depicted in cold type. It covers every glow of human emotion. Suspense, thrills, laughter, love, romance, all produced with a realism that is short of marvellous. REALLY ONE OF THE FEW MASTER PLAYS BEFORE THE PUBLIC THIS SEASON, and—

The Play You'll Never Forget

How the rugged forces of man in a brute country are tempered by the faith of a good man and true—how impetuous youth run wild, errs, pays the price and is redeemed all entwined in a beautiful love story, weaves itself into a powerful dramatic document the equal of which you won't see this season.

From the pen of the great writer Hal Reid, being the film version of his sensational stage play that set the country talking. Produced by the National Film Corporation of America.

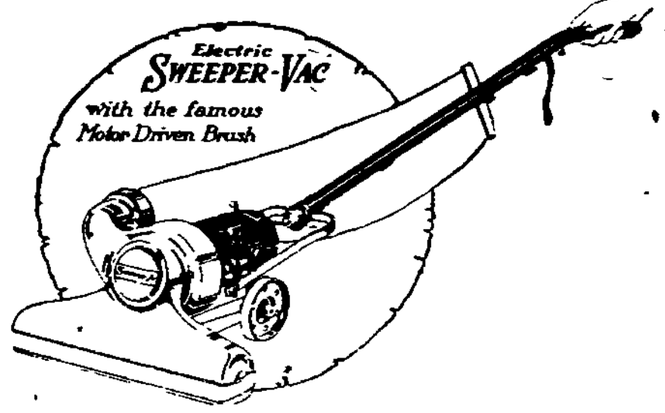
Speed Guessing Contest! **SWEEPER-VAC** **With Motor Driven Brush**



$100 in Cash Prizes $100

First Prize **$50**

Second Prize **$50**

in cash will be given to the first person guessing the correct or nearest to the correct number of revolutions per minute made by the Motor Driven Brush of the SWEEPER-VAC.

A second prize of $50 will be given any person who will form a club of 6 persons, each of whom will purchase a Sweeper-Vac from us during this guessing contest. If more than one club is formed each person forming one will receive a prize of $50, provided the six cleaners are purchased by the club.

POINTS TO REMEMBER IN MAKING YOUR GUESS!

1—The special object of this contest is to fix your attention upon the fact that the SWEEPER-VAC has a Motor Driven Brush and then to show you what we mean by a Motor Driven Brush. You will see that the Brush is revolving at good speed while the machine stands still. This shows that it is being driven electrically and that you do not have to push the machine in order to get the brush to work, as you have to do with almost all other Vacuum Cleaners.

2—The Regular Speed of the SWEEPER-VAC Brush is 1,350 revolutions per minute.

3—This machine shown here is purposely speeded less than 1,350. So, make your guess less than 1,350 revolutions. To make sure that the correct guess receives the prize, the brush speed of this machine has been set by the manufacturer and will be known only to him until we receive his telegram announcing it at the close of the contest.

4—This Guessing Contest closes Saturday, December 18, 1920, at noon. The winners will be announced at 4 o'clock that afternoon in our store.

5—A check will be sent the winner at the close of the contest.

NOTE—Because of a very probable variation of electrical voltage between the factory and here, the actual reading of the brush speed would be a trifle different in the two places. This fact further safeguards your guess against anyone here secretly reading the speed by meter.

Quit Laxatives, Purges; Try NR

NR Tonight — Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so.

NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

CAMEL CITY—U. S. A.
(or, Winston-Salem, N. C. according to the map)

GREETINGS, PETE!

Here I am tonight in Winston-Salem where more tobacco is manufactured than in any other place on the face of the earth!

When I knocked off for the day, I buzzed around like a hungry bee in a buckwheat field—up and down long streets of R. J. Reynolds Tobacco Co. factories!

As the Reynolds enterprise proved out more and more gigantic and I talked with more men about it, I got the real and true answer as to *why Camels are so good and so entirely different from any other cigarette!* I'll spin it for you, old top—*listen:*

Every man I talked with made the one big point that the officials and the more than 350 Reynolds foremen have an inborn knowledge of the tobacco business: that (putting it into a North Carolina expression) they were virtually "born and raised in a tobacco patch"; that they know tobacco; how to grade it, blend it, and how to manufacture and sell it!

And, what's most important of all, Pete, *these Reynolds folks sure give men what they want*—the best that can be produced! Why—Peter, it took months to perfect Camels Turkish and Domestic blend—and that refreshing flavor—and wonderful mild, mellow body!

Tomorrow, I'm going to meet some of the Reynolds folks. Got to see inside of those factories!

And, you know me!

Shorty.
